The gym will provide more space and will make it easier for you to see your child.

Please feel free to invite family and friends to this celebration.

- Please feel free to bring your cameras, since we will not be able to record the program since it will be in the gym.

THANK YOU!

I have been blessed throughout the year with wonderful volunteer! Also, I have been blessed with your partnership during this year. Thank you for all the wonderful snacks you provided for the class to enjoy!

I have been so blessed to see the many changes in the children since September. Their unique personalities have created a loving and respectful community in our classroom! The children have become more confident of their knowledge and are striving to do their best rather than saying “I can’t”. They have applied our morning prayer throughout this year.

Bless our playmates, teach us what is right
Help us love each other so we will not fight.
Help us be like Jesus in his foot steps walk
So we will be more careful how we act and talk. Amen.

With Gratitude,
Barb
