Hands-on Fun (My Big World newspaper)

Movement: Turkey Tag

Materials: none

- ❖ This gross motor activity combines movement with vocabulary.
- ❖ Find a wide-open space. Explain that during Turkey Tag, everyone will be an insect or a turkey. Have children practice two ways of moving: Insects hop and turkeys trot. Model doing these motions safely.
- ❖ Choose a child to be the first "turkey." The turkey is the tagger and runs, saying "Gobble, gobble." All other children are insects. They must hop from one side of the space to the other. If they get tagged, they turn into a turkey and join the gobblers until there is a whole flock of turkeys!
- ❖ Reinforce that it's OK to get tagged. It's fun because you get to join the flock!
