

Young Fives

at Divine Grace!

Young Fives School Day

Monday thru Friday, your child can attend in the Kindergarten classroom for a "taste" of Kindergarten from 8:40am - 12pm or 12pm - 3:30pm.

Students must either have completed one year of 4 year-old preschool or be enrolled in 4 year-old preschool at Divine Grace.

Young Fives have the option of attending 3-5 days per week.

Young Fives Activities

Your child will partake in small group math and reading activities with the focus of being prepared for Kindergarten. They will also have daily Bible stories and a weekly chapel worship time. They will still have opportunity for play and social time. All while doing their daily work, they will be exposed to and see first-hand what Kindergarteners do.

Young Fives Readiness

A child may enroll in the Young Fives program at Divine Grace if the child is at least 5 years old by December 1st of that school year and have completed preschool --OR-- be at least 5 years of age by March 1st and be simultaneously enrolled in preschool. All children grow and mature at different rates.

A child in the Young Fives program must be able to follow the structure of small group activities and be able to play quietly and independently.
